

Stay Connected and Involved with EPIC

Our goal is that EPIC will remain an annual event, with year-round programs and rural school district focused activities.

This can only be accomplished with your help!

February 28, 2020

Hosted at: St. Cloud Technical and Community College

STAY CONNECTED

- Watch for news stories on EPIC in Local iQ (St. Cloud Times), the Sauk Rapids Herald, and on Wjon.com
- Like, comment on, and share the EPIC Facebook page using **#EPIC2020**
 - <https://www.facebook.com/EPIC-Exploring-Potential-Interests-Careers-1623987811041009/>
- **Check out our new website!**
 - www.EPIC-MN.com

STAY INVOLVED AND SUPPORT EPIC

To our 2020 partners, **THANK YOU** for helping make our second event possible!!!

To those who were unable to get in on the fun, not to worry – we have room for you! We envision EPIC to become larger than a one-day annual event, and none of it is possible without volunteer hours and donated resources.

To stay involved and continue to support the future of EPIC, please:

1. Help us share the excitement of career exploration, and encourage employers, employees, and your business partners to support EPIC and related events.
2. Keep EPIC in mind as you learn of financial sponsorship and grant funding opportunities
 - (EPIC estimates a budget of \$60-75,000 for 2021)
