

## Exploring Potential Interests & Careers

**TUESDAY, NOVEMBER 15 - 4-7 p.m.**

**St. Cloud Technical and Community College**

### **Career and Education Exploration Event for Supportive Adults of High School Students**

This annual, high-quality career and education exploration event is designed for adults who support Central Minnesota high school students in the process of exploring potential career paths. EPIC for Influencer's unique format allows for in-depth, interactive conversations with a wide variety of professional representatives. Learn how to stimulate and expand a student's vision for their future. Local industry and educational organizations will be available to answer questions and share information.
